

## **Construction Notice for Concrete Improvements**

### **Fiscal Year 2012-13 Slurry Seal Program**

As part of Fiscal year 2012-13 Slurry Seal Program, we are working in your neighborhood to remove and reconstruct selective sections of concrete improvements such as broken curbs, sidewalks, driveway aprons, gutters and cross-gutters, and damaged Asphalt Pavements

While this operation is being performed, please remember:

- Street parking is not allowed in some locations and signs will be posted accordingly at least 30 hours in advance of parking enforcement. Please adhere to the parking restrictions posted.
- Parking will be available within a reasonable distance to your house.
- When access is restricted, detours will be set up to help you reach your destination.

It is anticipated that the entire work will be completed within \_\_\_\_\_ day(s) and hope that it does not cause undue hardships.

We appreciate your cooperation and understanding while we work to improve your City.
